

CONNECTHQ EVENT PASS

Quick Guide for Guests

Use this short guide after receiving the event app link by email.

Event App Quick Start

1

Open the app link

Tap the link from the email on your phone. If asked, choose to open it in your browser or app store.

2

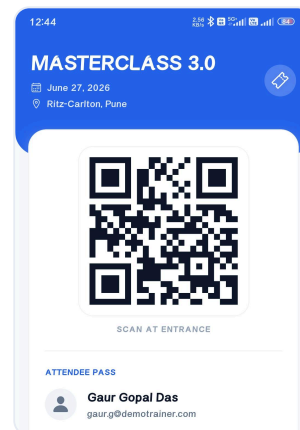

Install and open the app

Tap Install or Get, wait for the download, then open ConnectHQ Event Pass.

3

Continue as Guest and view My Pass

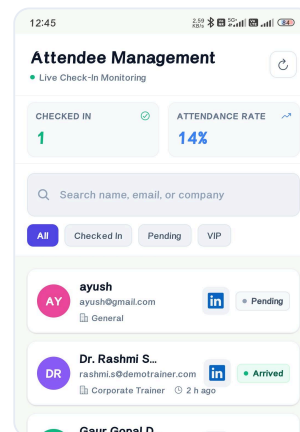

On the Welcome screen, keep Guest selected, enter your full name and registered email, then tap Continue to Event. Your QR pass opens first.

4

View the Attendees tab

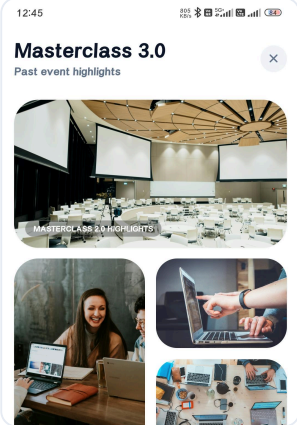

Tap Attendees from the bottom menu to see the attendee list and search by name, email, or company.

5

Open the Gallery tab

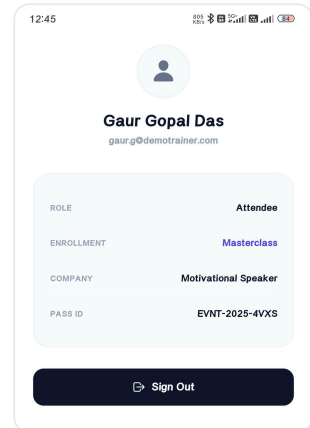

Tap Gallery to view event highlights and photos. Tap any photo to open it larger.

6

Check your profile details

Open Profile to confirm your name, email, role, enrollment, company, and pass ID.
